ACCESSING BENEFITS:

Participating Dentists Benefits

When receiving care from one of over 1,800 Participating Dentists, the member simply presents an identification card showing dental coverage. The dentist bills us directly for all covered services.

For dental care provided by a participating Dentist, we will pay the lesser of eighty percent of the dentist's usual charge or eighty percent of the Usual, Customary and Reasonable charge as determined by us. The dentist accepts the allowance upon which the payment is based as payment in full and will make no additional charge to the member except for the remaining coinsurance balance.

Non-Participating Dentists Benefits

For covered dental services provided by a Non-Participating Dentist, in or out of Connecticut, we pay the lesser of eighty percent of the dentist's charge or the applicable allowance for the procedure, as determined by us. The member is responsible for any difference between the amount paid by us and the fee charged by the dentist.
