

## **Educational Goals**

### Statement

The mission of the Torrington Public Schools is to graduate all students with the knowledge, skills, ethics, attitude and confidence to succeed in their future.

To achieve this goal:

- Students will develop academic and intellectual skills necessary to function successfully in an advancing society.
- Students will develop effective communication skills.
- Students will be expected to develop honesty, civility, and other positive traits of good character.
- Students will acknowledge and respect the differences in all people.
