Need to be Fingerprinted to Work as a School Employee in a School System?

Effective July 1, 1994 Public Act 94-221 requires that all newly hired employees of school districts be fingerprinted for a criminal history check, regardless of their position. District staff must be fingerprinted again each time they change school districts.

How Can EdAdvance Assist You?

EdAdvance will process and forward your fingerprints and remittance to the proper state and federal authorities for a criminal history check, and notify the district in EdAdvance's area, by which you have been hired, that you have been fingerprinted.

Once received, EdAdvance will inform the district of the results of your criminal history check only when a problem exists.
