Effective July 1, 2018 – Ms. Clemons was charged by the Board to come up with 3 different options that can be utilized with the temporary closing of East School.
Option 1: Divide the 4 elementary schools into grade schools. This would also resolve the racial imbalance citations.
Option 2: 2 grade level sister schools.
Option 3: Proposal of the New Elementary School.
In order to decide the best possible option an Ad Hoc Committee would be created including Board Members, Central Office, Administration, Building Level Administration, Teacher, Para & Parent from each building as well as a Secretary, Nurse and Custodian District Wide. This committee would meet every Monday and Tuesday and they will come back for the Board of Education meeting in January to give us a recommendation.
Mr. Bascetta presented to the Board and the public the current issues at East School: East school estimated capital needs by priority: boiler replacements, energy/HVAC controls, unit ventilators, hot water heater, rooftop units and hvac, sprinkler protections, window upgrades, flooring material, lighting upgrades, interior doors and hardware change outs, exterior doors, plumbing fixtures and bathrooms, paving, parking, bus drop off, elevator upgrades, interior walls and interior painting, exterior walls, roof replacement, security upgrades and fire alarm system, playfield upgrades, ceiling repairs. Estimated cost for all of this is \$8,062,350.00 and this plan may span 5-8 years.
